School Tuition 2007-2008

Please note the following:

- The cost per student for the 2007-08 year is \$4,200. This cost is the basis for establishing the “full tuition” for the year. (Half-day Kindergarten is \$3,000.)
- As indicated in the pastor’s letter, the parents are expected to pay the full cost unless prevented by serious financial need, in which case the parish is willing to pay up to 15% of the tuition.
- The individual parent decides how much subsidy to ask of the parish.
- There will be no tracking of Mass attendance as a basis for a discount. We invite families who are not registered at St. William Parish to seek any needed financial assistance from their proper pastor. We will be happy to provide you with a sample request.
- Beyond the financial aid that is available from the diocese, the Parish has a small scholarship fund that can provide further help to some families. Applications are at the School Office, and are handled on a case-by-case basis.
- The “registration fee” of \$150 per student, although non-refundable, *is not an additional fee*; it is folded into the full tuition.
- Because of the delay in establishing the mechanics of tuition payments this year, eligible families can choose monthly installments for 10 months or 11 months—without late penalty for the April payment. The registration fee can be paid separately if you wish, or taken out of the first month’s payment.

 I have read the Pastor’s letter to parents, and understand the issues concerning tuition
